

## User Interview

- Have you used Real estate application before ? when?
- What are the features you found most useful in the app, and what challenges or issues have you faced while using it?
- Would you be interested in having virtual tours to view properties without needing to visit them in person?
- In case of a property booking cancellation, do you prefer a full refund?
- Do you prefer to log in when opening the app?
- How would you prefer to communicate with us regarding your experience with the real estate application?
